Our Story

In 1968, two young friends, Vic Duhamel and Carl Dewar decided to start a business. Over the years, they sold products ranging from tires to RVs before realizing how much they loved helping people onto the water and into the boating lifestyle. There were two big issues that they found. Buying a boat was much too difficult, and there really wasn't a boat designed for the Canadian environment.

In 1986, with the goal of simplifying the ownership experience and offering a boat designed by Canadians and built for Canadians, Legend Boats was born. Vic and Carl started by creating affordable and complete boat, motor and trailer packages. They beefed up their boats with thicker aluminum and made full stand-up tops standard on every full windshield model. This ensured that every Legend boat could handle the rugged Canadian climate while keeping boaters safe and comfortable.

Seven children and fifteen grandchildren later, Legend is proud to have the same owners and same focus on family values as it did over 33 years ago when Vic and Carl decided to dedicate their lives to making it easier and more affordable to get on the water. We can't wait to welcome you to the Legend Family so that you can start creating your memories!

We do things a little differently.

Is Legend Canadian?

Yes. We are a 100% Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From maintenance-free flooring to the most standard equipment and available enclosures, we make sure that Mother Nature is no match for your Legend.

Are Legend pontoons built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our **6 year WOWranty** combined with our **Lifetime** hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

You claim your quality is good but your prices are low. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, MotorGuide trolling motors and Mercury outboards, the largest brands in boating, speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and trolling motors, we can offer you unbelievably high quality at incredibly low prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our ads. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment.

We've outfitted our pontoon boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models or offered in popular packages at a great price. Many of our Legend packages have standard features like Dura-Weave vinyl floors, reclining captain's chairs, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more standard equipment for less than any other brand!

Let us help you choose the motor that's right for you!

- 1 Each pontoon boat shows a list of motor choices with pricing and weekly payments.
- 2 We've highlighted the most popular engines on each model to make your motor choice easy.
- 3 Choose the motor that gives you the speed desired for the activities you want to enjoy.

Are You All-In?

CANADA'S **ONLY** FULLY-PRICED CATALOGUE

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. For over 33 years, our customers have enjoyed having boat package pricing at their fingertips so they could figure out what their perfect boat package was going to cost right down to the penny. Now, there's no more figuring out. With one simple up front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. See page 40 for details, or visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

Do I need a Triple Tube?

FREE GUIDE

Top 10 things you should know before choosing a Two Tube or Triple Tube Pontoon Boat

Before purchasing a new pontoon boat, there are a few factors to consider to ensure it is the right pontoon boat for you and your family, so that you can make memorable memories on the water.

Get your free guide at

<https://blog.legendboats.com/two-tube-triple-tube-buying-guide>

2 Tube Packages

Most Legend pontoon boats come equipped with two tubes and can be run with minimal horsepower. Two tube pontoon boats provide stability and maneuverability which makes them great for cruising, fishing and a comfortable day out on the water. If you do not need speed and runabout performance, a two tube pontoon is for you.

3 Tube Packages

If you feel the need for speed and performance, upgrading to a triple tube pontoon package with a higher horsepower outboard is for you. Skiing, wakeboarding and tubing are no issue, even with a crowd on board. Triple tube pontoons have more stability, better handling and greater performance on rougher waters, as well as being a great alternative to fiberglass runabouts.

Sport

Performance Package

Available on most Enjoy Models.

The Enjoy Sport Performance Packages equipped with an outboard 90 to 150 HP will help you experience a combination of speed and cornering performance.

SPORT PERFORMANCE PACKAGE FEATURES:

- Two full-length outer tubes with performance enhancing lifting strakes on the inside of each tube.
- A reduced length centre tube with lifting strakes to incorporate the traditional transom.
- An underfloor aluminum performance shield which deflects the water away and increases performance.

SPLASH SERIES

A light pontoon boat that will make a big splash with your family and friends.

They're just the right size. You want a light pontoon boat that will make a big splash with your family and friends. You're not out to win any races and you appreciate a craft built to run with less horsepower for economical operation. You just want to use a pontoon the way it was meant to be used...to cruise down the lake, fish with the kids and relax with the ones you love.

Splash • Splash EXT • Splash+ Flex • Splash+ SuperFlex • Splash+
Cottage • Splash+ Cottage EXT • Splash+ Lounge

ULTRA-LIGHT SEATING

All Splash Series couches are constructed using **Dura-Lite** for less weight. Splash pontoons are up to 800 lbs lighter than comparable pontoons.

SPLASH+ EFFICIENT HELM

You don't need every single bell and whistle to enjoy **the water**, but a built-in Helix 5 GPS fishfinder, stereo, gauges and MP3 port are pretty nice!

LEAN BACK AND RELAX

All Splash+ models feature a comfy chaise lounge for those lazy afternoons on the water. Feel the relaxation.

CONVERTA-BED

Stretch out for an afternoon nap or even an overnight camping trip. So much possibility on one pontoon!

Splash+ SuperFlex, Cottage, Cottage EXT, Lounge

NO CARPET, NO MESS

Splash models come with either EZ-Clean vinyl flooring or Soft-Step DuraWeave Luxury Vinyl flooring for easy maintenance and cleaning.

POWER-ARCH TRANSOM

Engineered to flex and adapt to the water by dissipating energy from waves evenly throughout the transom and pontoons.

Splash+ SuperFlex, Cottage, Cottage EXT, Lounge

SPLASH+ COTTAGE REAR DECK

Now you can dock from either side, easily get in and out of a tube or enjoy the huge platform for watersports, swimming or fishing.

COMFORT AND STORAGE

Plenty of seating and storage space. No ifs, ands or butts about it... okay maybe a couple butts.

PRACTICAL EXT FRONT DECK

Enough room for two to fish and for their guides. If fishing is slow, enjoy this deck as a fun swim platform.

REAR FISHING STATION

You've got a livewell, a cutting board, rod and net holders. Now all you need is that catch!

ENJOY SERIES

The perfect addition to your family.

You'll enjoy the splash of colour we've added. Textured blue exterior graphics, interior LED lights, blue furniture highlights, an upgraded high-back recliner, super-soft DuraWeave Luxury Vinyl flooring and a standard Bluetooth stereo make the Enjoy Series the perfect addition to your family.

Enjoy Freedom • Enjoy Fishing • Enjoy All • Enjoy Flexibility • Enjoy Lounging

Enjoy models are available as two-tube or triple-tube Sport Performance Packages to suit your performance needs.

ENJOY COMMAND CENTRE

Rich woodgrain panels, eye catching chrome accents, and blue back lit switches are sure to command attention on the water.

ENJOY FREEDOM REAR CHANGEROOM

Ensure your guests are comfortable with a massive private changing area or add in a porta potty so you can stay out all day.

COMFY COUCHES

Sit up on the couch, lean back on the chaise lounge, store your gear and do it all while looking sharp with LED lighting under the seats.

ENJOY FLEXIBILITY EXTENDED FRONT DECK

The front deck is perfect for fishing, swimming or just easily getting on and off your pontoon with grace.

ENJOY ALL AND ENJOY FLEXIBILITY SMARTDECK OFFER FLEXIBILITY

Comfortably lounge or place 2 fishing chairs for easy casting or provide privacy to change. Add in an optional porta potty or pump out toilet and you're good to stay out on the water as long as you like!

TONS OF SEATING AND STORAGE

Park some behinds on this comfy couch and store their gear underneath.

AERATED LIVEWELL OR COOLER

A large livewell to keep your catch alive or use it as a cooler to keep your drinks cold.

ENJOY ALL DINETTE

This unique layout allows you to share a meal with your friends, let the kids colour, or just play a round of cards.

Indulge in modern luxury.

Introducing the all new **L-Series**

If you like to be spoiled then you're looking in the right place. After all, who needs cool stuff like under-deck perimeter blue LED lighting, fresh-water sink, Plush soft-step DuraWeave Luxury Vinyl flooring or a full-size bar with 4 stools in their pontoon? Nobody. But everybody wants them, and you deserve to have them. So indulge in modern luxury and performance with our all new L Series.

Coming to a Legend dealer near you.

Legend Glide-On Pontoon Trailers

Open your horizons and add adventure to your boating season by exploring all of the lakes in your area. Hit the road with one of our custom pontoon trailers that make loading and towing amazingly easy.

- **Heavy-Duty Nylon Winch Strap**

The threaded seam is protected from the elements with a 3' loop that eliminates stress on stitching.

- **Adjustable 2" Ball Safety Coupler with Locking Pin**

Easily adjusts for greater hold and prevents release while travelling.

- **Extra-Long Safety Chains with Locking Clips**

Strong and secure safety chains will not tangle, fray or kink like cables. Easily reaches most vehicles and prevents unlatching during travel.

- **Self Lubricating Bearing Buddies**

Resulting in less bearing wear.

- **Front Boarding Ladder**

Strong and sturdy ladder with safety hand rail.

- **Self-Centering Carpeted Bunk Design**

The pontoon loads straight, stops easily and is supported over its full length for even weight distribution.

- **Welded Tubular Steel Frame with a 5 Year Warranty**

Strong, clean construction with less bolts to worry about, plus the tubular design provides protective housing for wiring. This is by far the best frame in the industry, covered by the best warranty.

- **Custom-Matched Trailer with Powder Coated Paint**

Ask your Legend dealer to help you select the right trailer for your Legend pontoon.

- **Submersible Lights with Rear Built-In Step**

Reliable lamp service while the step protects the tail lights and allows access to the boat.

- **Each Light Has Its Own Power Source and Ground Wire**

Keeps your lights bright and working at night, even if one goes out.

- **Enclosed Custom-Moulded Fenders**

Non-corroding and dent-resistant, they protect your boat from road debris and provide a safe, solid step.

- **Reverse-Angled Winch Stand with Oversized Vertical Padded Bunks**

Prevents unwanted forward movement of the pontoon during sudden stopping. The bunks safely stop the pontoon during loading and holds the pontoon in place during transportation.

Triple Tube Trailer Kit **\$799**

Add these bunks to your pontoon trailer when choosing a Sport Performance Package to support the center tube

Pontoon Series Warranty

Legend pontoon boats are backed by a lifetime warranty on the pontoon tubes, deck, and transom so you will be assured of hassle-free boating for years to come. Plus, our exciting 6 Year WOWranty extends coverage on all your key components such as the floor and deck. See page 42 for details.

Lifetime + 6 Year

Tube, Deck and
Transom Warranty

WOWranty

Splash Series Construction

Robust Construction

Although they are built to be light and efficient, with exceptional detail to all welds, extruded M brackets and extensive structure, all Splash pontoons are big in their quality and built to last.

Power-Arch Transom

Engineered to flex and adapt to the water by dissipating energy from waves evenly throughout the transom and pontoons.

Dura-lite composite furniture frames

Lightweight, durable, anti-rot composite panels are used to construct all furniture. These panels offer incredible strength while keeping the entire boat lightweight and more efficient.

Thick lifetime decking

A thicker floor means a stronger boat. With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting. Each seam is sealed with LockOut sealing adhesive and is lined up over a cross member for exceptional dryness.

Wave-slicing wide nose cones

The wide nose cones deflect spray keeping you dry on the water, while the lifting fins provide the ultimate performance for a smooth ride every time.

Stainless steel fasteners

Stainless steel fasteners are used to attach the decking to the substructure. These provide a far stronger hold than pop rivets for years of problem free boating.

Triple-Protected tube design

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

Ez-Drain tubes

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

Quiet and Raised fences

All fence panels are installed with anti-vibration foam to keep them quiet. They are installed with 3/8" risers to provide water runoff and exceptional ventilation.

The NMMA Certified label on a Legend boat is your proof that it meets, and often exceeds, the industry's strictest quality and safety standards.

Enjoy Series Construction

Footed deck supports

By adding a foot to each deck support, we ensure that downward pressure from the upper deck assembly is spread out over a larger surface area for a safer connection. Your pontoon will last longer.

Stainless steel elevator hardware

Using stainless steel elevator bolts and fasteners instead of pop rivets to attach our decking to the substructure results in a strong, reliable boat for years to come.

No-rot seat bases

Made with thick roto-cast material means they can never rot, no matter how wet they get. They even have integrated drainage channels so your gear stays drier as well.

Thick lifetime Decking

A thicker floor means a stronger boat. With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting. Each seam is sealed with LockOut sealing adhesive and is lined up over a cross member for exceptional dryness.

Wave-slicing wide nose cones

The combination of pointed nose cones with spray deflecting lifting fins means you will have a smooth and dry ride in every Legend pontoon.

F-style rub rail support

The outside deck edge is covered with this unique F-Style rub rail which clips onto the deck and is fastened securely with stainless bolts. It prevents unnecessary sagging edges and reinforces the entire deck.

Triple-protected tube design

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

Ez-Drain tubes

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

Raised, quick dry, silent fencing

3/8" spacers raise the fence off of the deck for desired water run-off and airflow, making deck clean-up a breeze. Anti-vibration foam back panels keep your trip quiet.

Full-length heavy-duty V-keel

Our dual-purpose keels provide great protection against unseen obstacles or sandy beaches, while at the same time adding great control even in wind.

Pontoon Enclosures

Extend Your Boating Season.

Add an enclosure to any Legend pontoon and extend your boating season. Our quality enclosures will keep you warm and dry, protect you from the sun, help keep the bugs out and even let you go camping for the weekend.

Full Enclosure† \$3,499

Be comfortable. Be protected. Stay cleaner and drier with our custom full enclosure. You can stand tall and move around freely front to back regardless of weather conditions. A double bimini top as well as a full curtain package is included. Side screens let the breeze in and keep the bugs out.

Available on the following models:
 Splash+ Cottage, Splash+ Cottage EXT, Splash+ SuperFlex, Splash+ Lounge and all Enjoy Models

Half Enclosure† \$2,499

This cover keeps you warmer and drier, protects your new pontoon boat interior, and keeps the inside clear of debris. It's by far the most versatile cover combination available. Just use the rear part of the enclosure to protect the cockpit area or slap on the front playpen cover for added protection.

Full Enclosure Conversion Kit† + \$1,999

Add a full enclosure conversion kit to our half enclosure to make a complete full enclosure. This will give you the ability to use either the full or half enclosure as needed.

Available on the following models:
 Splash+ Cottage, Splash+ Cottage EXT, Splash+ SuperFlex, Splash+ Lounge and all Enjoy Models

Splash 3/4 Enclosure† \$2,499

These compact pontoon boats deserve an enclosure that is big on features. This 3/4 enclosure has a sloping curtain that extends all the way to the front and offers full visibility. The side and rear curtains complete the enclosure to protect you and your family from the elements.

Available on the following models:
 Splash, Splash EXT, and Splash+ Flex

- **Synthetic Top Construction**

You'll be protected rain or shine with our all-synthetic, tear-resistant bimini top construction.

- **Bug Screens with Roll Down Windows**

Bug screens are included to let the breeze in and keep the bugs out.

- **Supported 1 1/4" Square Tubing and All-Metal Fittings**

Unlike plastic fittings, metal ones won't crack, break, or wear out.

- **All Snaps are Installed Through Thick Legend ProTech Material**

Our strong material provides a solid fastening point as opposed to plastic, which snaps could tear through easily.

- **Double Stitching**

All main zippers are double-stitched to provide lasting quality in the areas that receive the most stress.

 **PROTECH**
 WIND, RAIN AND SUN PROTECTION.

Splash and Enjoy enclosures and covers built in grey Legend ProTech material. † Not to be used for winter storage or during transport.

Mooring Covers

Two-piece Mooring Cover† \$1,599

Designed to cover your new Splash+ Cottage, Splash+ Cottage EXT, Splash+ SuperFlex, Splash+ Lounge and Enjoy Series pontoon boat from front-to-back. This two-piece cover protects from damaging elements while moored at the dock. Adjustable support posts prevent water from pooling on the cover. Easily installed, this cover snaps around the fencing even with the bimini top installed.

Rear Playpen Cover† +\$999

Add this rear playpen cover to any half enclosure's front playpen cover to create a full two-piece mooring cover.

One Piece Mooring Cover† \$1,199

Designed to cover your new Splash, Splash EXT and Splash+ Flex pontoon boat from front-to-back. This one piece cover protects from damaging elements while moored at the dock. Adjustable support posts prevent water from pooling on the cover. Easily installed, this cover snaps around the fencing even with the bimini top installed.

† Not to be used for winter storage or during transport.

* Installation, freight and taxes extra on all prices. Prices and specifications are subject to change or error. Ask your local Legend dealer for complete details.

Minn Kota DeckHand 40 Electric Anchor Winch Kit

With quick-release bracket, davit, DeckHand 40 remote switch and 20 lbs river anchor.

Automatically raise and lower your anchor at the touch of a button. DeckHand 40 has a 40-lb anchor capacity. Pre-spooled with 100 feet of 800-lb test nylon rope. Universal davit can be mounted at base of DeckHand or in remote position on boat deck. Davit also stows anchor horizontally to eliminate anchor swing. Anchor shackle allows for quick changes between anchors. A special anti-drag system senses the bottom to allow for controlled drifting.

\$599

plus installation* (Approx 2hrs)

DECKHAND 40 KIT

Legend Portable Marine Grill by Kuuma \$699

Add this Stainless Steel BBQ to any pontoon boat. Cook onboard or take it ashore.

LEGEND BOATS

Freight Charges by Zone.

	ON, QC	SK, MB	AB, BC, NB, PEI, NS	NL
Zone	No Fee	\$800	\$1,350	\$2,300

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

No-fee Setup and Orientation

All of the components of your pontoon boat and motor package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you to select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation. All this, at no additional charge to you, thanks to our All-In Pricing.

The setup includes the following items: control box, shift cables, cranking battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight outside of Ontario and Quebec, licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your downpayment at 6.49% over 780 weeks for amounts \$10,000 and higher (at time of printing). All financing is OAC. Payments will vary by province. All Choose Your Power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Premium Packages are model specific and are only available with the purchase of a boat package. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual pontoon for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.

6 YEAR WOWRANTY

A warranty that makes you say wow!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years. That gives you a lot of worry-free, quality, memory-makin' time.

*For more details, visit:

www.legendboats.com/wowranty

Lifetime Tube, Deck, and Transom Warranty

Legend pontoon boats are backed by a lifetime warranty on the pontoon tubes, deck, and transom so you will be assured of hassle-free boating for years to come. Plus our exciting 6 Year WOWranty now extends coverage on all your key components.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.

Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

Lifetime Floor and Deck Warranty

A thicker floor means a stronger boat. With 7 layers, of marine-grade plywood, each individually-treated, we can offer a lifetime warranty against rotting.

Legend Glide-On 5+1 Year Trailer Warranty

Every Legend Glide-On trailer by Shoreland'r is backed by a 5-year frame warranty and 1-year complete tongue to tail light warranty.*
