Our Story

In 1968, two young friends, Vic Duhamel and Carl Dewar decided to start a business. Over the years, they sold products ranging from tires to RVs before realizing how much they loved helping people onto the water and into the boating lifestyle. There were two big issues that they found. Buying a boat was much too difficult, and there really wasn't a boat designed for the Canadian environment.

In 1986, with the goal of simplifying the ownership experience and offering a boat designed by Canadians and built for Canadians, Legend Boats was born. Vic and Carl started by creating affordable and complete boat, motor and trailer packages. They beefed up their boats with thicker aluminum and made full stand-up tops standard on every full windshield model. They wanted to make sure every Legend boat could handle the rugged Canadian climate while keeping boaters safe and comfortable.

Seven children and fifteen grandchildren later, Legend is proud to have the same owners and same focus on family values as it did over 33 years ago when Vic and Carl decided to dedicate their lives to making it easier and more affordable to get on the water. We can't wait to welcome you to the Legend Family so that you can start creating your memories!

We do things a little differently.

Is Legend Canadian?

Yes. We are a 100% Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our **6 year WOWranty** combined with our **Lifetime** hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

You claim your quality is good but your prices are low. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, MotorGuide trolling motors and Mercury outboards, the largest brands in boating, speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and trolling motors, we can offer you unbelievably high quality at incredibly low prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free All-In pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment.

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models or offered in popular packages at a great price. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

Let us help you choose the motor that's right for you!

- 1 Decide the performance you want and which activities interest you most: Fish, Cruise, Tube or Ski.
- 2 Each boat shows a list of motor choices with speeds, pricing and weekly payments.
- 3 Choose the motor that gives you the speed and performance you desire that overlaps the activities you want to enjoy.

Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution.
Actual performance may vary.

Are You All-In?

CANADA'S **ONLY** FULLY-PRICED CATALOGUE

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. For over 33 years, our customers have enjoyed having boat package pricing at their fingertips so they could figure out what their perfect boat package was going to cost right down to the penny. Now, there's no more figuring out. With one simple upfront price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we hope you will enjoy our All-In Pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. See page 70 for details, or visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

X-SERIES

Enjoy your family time on the water
however you like to spend it.

Fish, ski, cruise, relax, get in touch with nature, reconnect with your loved ones
or take time for yourself. Whatever you want to do, you can do it with the X-Series.

X16 • X18 • X20

COMMAND-VU CONSOLE

Be a master of the water with your gauges, Bluetooth® stereo, switches and Helix 5 GPS fish finder all built-in and illuminated. You're truly in control when you're behind this helm.

THE COOLBOX

Keep 12 drinks cool and within reach. A removable layer also allows you to store everything else on top of the cooler packs and drinks.

ALL-WEATHER PROTECTION INCLUDED†

Maximize the time that you spend on the water with a full top that keeps everything in your boat protected from whatever the Great White North decides to throw at you.

†Included in the Premium Package

BOW RIDER SEATING AND STORAGE

Not only can you comfortably sit 2 extra people† in the bow of your X-Series, but when you lift the cushions, you reveal an aerated livewell and all sorts of extra storage.

†Included in the Premium Package

SAFE, LOCKABLE STORAGE

The lockable side storage compartments go all the way up to the consoles and all the way back to the stern, offering tons of room for your gear and valuables.

X20 Shown

EXTENDA-DECK CONVERTA-BENCH

Sit 3 extra people on the bench, waterski with the removable ski pylon, or sit 2 fishing chairs for the ultimate rear casting deck. Flexibility meets comfort.

X18 Shown

X16 EZ-FLIP 50/50 SPLIT CONVERTA BENCH

The EZ-Flip 50/50 Split Converta-Bench provides ample seating, and it converts in seconds to a larger rear casting area.

X16 Converta-Bench shown*

IN-FLOOR ROD STORAGE

Keep those rods locked, safe and out of the way in your X18 or X20.

CONVERTIBLE BOW ADJUSTS TO SPACIOUS DECK

INTERIOR LED LIGHTING

Seeing at night is no issue with the X-Series' interior ambient LED lighting and courtesy lights†

†Included in Premium Package

REMOVABLE SKI PYLON

Each X-Series model premium package includes this solid aluminum bar that quickly removes for storage.

REAR SWIM PLATFORM†

2ND CONVENIENT LIVEWELL

Neatly tucked away but easily accessible in the rear fishing area of the X18 or X20.

.100 Gauge
Perfect Flex Aluminum

All-Welded
Aluminum Hull

XTR SERIES

The water won't know what hit it!

Huge casting decks, massive livewells, all vinyl floors and enough room for your friends, family and all their gear! If you routinely hit the water for some fish, but you've got a whole family to keep comfortable too, this is the boat for you! The only tough decision you'll have to make is which lake to hit first.

16 XTR^S • 16 XTR • 18 XTR • 18 XTR Troller • 20 XTR Troller

NAVIGATOR CONSOLE

You're armed with a built in Humminbird Helix 5 GPS/fish finder, Bluetooth AM/FM stereo with MP3 port and 2 speakers, a multi-gauge and switches, all illuminated for early morning and late night trips.

20 XTR TROLLER EZ-CLEAN WASHDOWN SYSTEM

Hose down your all-vinyl floors when you're done for the day to keep your boat clean regardless of what you may catch.

ALL-WEATHER PROTECTION INCLUDED†

Don't let the fish catch a break just because the weather isn't perfect. Put your included full top up and get out there! Not available on 16 XTR^S.

†Included in the Premium Package.

18 AND 20 XTR IN-FLOOR ROD STORAGE

The In-floor rod locker keeps your rods locked, safe and out of the way when you're en route to your favourite spot or back to shore to show off your catch.

ROOM TO FISH

Enjoy a tournament sized livewell with separate bait bucket (16 XTR^S, 16 XTR, 18 XTR, and 18 XTR Troller), a huge front casting deck and all vinyl floors. No mess, no worries.

16 XTR AND 18 XTR 50/50 SPLIT CONVERTA-BENCH

The EZ-flip 50/50 split extenda-deck converta-bench provides ample seating and converts in 5.4 seconds to a huge rear casting deck.

**CONVERTIBLE

F-SERIES

A fishing machine with
more than enough family flare.

The F-Series has amazing performance on the water, making for a smooth ride with friends and family. Call dibs on your favourite casting deck and everyone will have a great day on the water. It's just part of the package.

F17 • F19

TONS OF STORAGE AND SEATING

A tournament sized livewell goes perfectly with lots of **storage**, all vinyl decks and a MotorGuide trolling motor. Pop in the included bow cushions* for comfy seating.

*Included in the Premium Package.

ALL-WEATHER PROTECTION

A full stand-up top is included* so regardless of what it's doing outside, you can still go out, catch some fish and stay warm and dry doing it too.

*Included in the Premium Package.

50/50 SPLIT CONVERT-A-BENCH

Can't decide whether to fish alongside your buddy or chill out beside your family? Why not do both with this 50/50 split bench!

COMMAND-VU CONSOLE

Be a master of the water with your gauges, Helix 5 GPS fish finder*, a Bluetooth AM/FM stereo with MP3 port and 2 speakers and switches built-in and illuminated. You're truly in control when you're behind this helm.

*Included in the Premium Package.

THE COOL BOX

Keep 12 drinks cool and within reach. A removable layer also allows you to store everything else on top of the cooler packs and drinks.

SAFE, LOCKABLE STORAGE

A storage compartment all along the entire side of **the boat**, with a new and convenient opening style, let's you lock away your valuables and your worries.

REAR SWIM PLATFORM[†]

Rear swim platform allows you to access the water for a quick swim and makes climbing into a tube that much easier.

[†]Included in Premium Package

PRACTICAL FISHING BOW

Remove the cushions to reveal a huge front casting deck with storage, livewell and bait bucket.

OPTIONAL REMOVABLE SKI PYLON

For some serious skiing and wakeboarding add this removable solid-brushed aluminum ski pylon. **\$499 #30900430**

IN-FLOOR ROD STORAGE

Keep those rods
locked, safe and
out of the way.

XTE-SERIES

Exciting memories are waiting.

The all new XTE series offers a bold new look and all the features you need in 5 exciting models. Whether you want the protection of a full windshield or the room of a side console, the utility of a tiller or need the extra seating and family features of a sport model, we have the XTE for you!

16 XTE Tiller • 16 XTE SC • 16 XTE SC Sport • 16 XTE • 16 XTE Sport

16 XTE, XTE SPORT, XTE SC, XTE SC SPORT FULL-VU CONSOLE

Everything you need to be out on the water, day or night. The fishfinder, gauges and switches are all within reach and illuminated for use at night.

SAFE, LOCKABLE STORAGE

Side storage compartment that runs the entire length of the cockpit to keep everything from your rods to extra gear locked up and safe.

HUGE AERATED LIVEWELL

Your bait and your catch may be on their last ride, it's only right to thank them by making sure they're comfy on their journey.

EZ-FLIP 50/50 SPLIT EXTENDA-DECK CONVERTA-BENCH ON SPORT MODELS

The EZ-Flip 50/50 Split Extenda-Deck Converta-Bench provides ample seating and it converts in seconds to a larger rear casting area.

FRONT DECK STORAGE

Your livewell has a partner in crime with huge under deck storage in your all-vinyl, easy to clean front casting deck.

16 XTE SPORT ALL-WEATHER PROTECTION INCLUDED†

It doesn't matter if it's raining, sunny, or even snowing, nothing's gonna stand between you and the water, even at full speed!

†Included in the Premium Package.

KEEP YOUR RODS SAFE AND SECURE

The lockable side storage compartments fit any size rod, and ensures they are safe and out of the way.

A SUPER SMOOTH RIDE

Whoever you decide to take with you on the water, you'll all be dry and comfortable thanks to Legend's sharply angled bow, deep-V and reverse chine. Smooth sailing all the way!

TONS OF ROOM AND STORAGE

Ample storage underneath an all-vinyl, easy-to-clean front casting deck.

FISH COMFORTABLY

The XTE ErgoMax swivel chairs are ergonomically designed to deliver maximum comfort so you can fish comfortably all day long.

R-SERIES

The Legend R-Series comes with a rugged,
no-nonsense type of experience.

Grab your gear, get out on the water and do your thing. No fuss, no muss.
Just you, your people, your boat and the great outdoors.

15 AllSport • 15 Angler • 16 ProSport SC • 16 ProSport LS • 14 ProSport LS •
16 WideBody • 14 WideBody • 14 UltraLite

MORE ROOM FOR GUESTS

Add 2 optional chairs to the 15 AllSport or 15 Angler for comfortable seating for 4 people.

15 ANGLER AND 15 ALLSPORT ALL-VINYL FISHING DECK

Everything you need in one convenient spot.
Store your gear, land your fish, keep it safe and clean up with ease.

16 WIDEBODY IN-SEAT LIVEWELL

A spot that's easy to access to keep your fish alive and fresh.

14 AND 16 WIDEBODY SPLIT SEAT

The Split Seat gives you ample storage for your fuel tank and battery and you can stay comfortable by not twisting your back to reach the tiller.

*16 ProSport LS shown

PROSPORT VINYL FISHING DECK

Just because the ProSport is a little smaller doesn't mean there's any less room for you, your gear and your fish. Plus you get a sweet front casting deck!

*16 ProSport LS shown

PROSPORT LOCKABLE ROD STORAGE

You want as much room as possible when you're out on the water. Safely store your rods and gear out of the way along the side of the boat.

15 ANGLER DROP N' GO ROD HOLDERS

Never trip over your rods again. Keep them conveniently stored, close by and out of the way with the Drop N' Go Rod Holders.

HUMMINBIRD PIRANHAMAX 4 FISH/DEPTH FINDER†

This colour fishfinder features Fish ID+, fish and depth alarms, zooms easily and displays everything, even in direct sunlight.

†Included in Premium Package

PORT SIDE LOCKABLE ROD BOX

The ProSport's lockable port side storage compartment fits most rods.

COMFORT IS STANDARD

With its raised comfort seating and deep-V hull design, you'll always feel comfortable regardless of which remote, fish-filled lake is calling your name.

VIBE

DECK BOATS

Super Cool. Super Roomy. Super Fun.

Introducing the all-new Legend Vibe Series! Whether you want to feel the wind in your hair, hear the laughter of friends and family, listen to your favourite tunes, or experience the exhilaration of being whipped around on a tube, the Vibe series has a ton of room and all of the performance you need to enjoy an amazing day on the water. Feel the Vibe!

VIBE SERIES VIBE D19 • VIBE D20

Modified Dihedral V-Hull

This revolutionary deck boat hull design virtually eliminates rough ride and rocking motion, while air injection vents provide a smooth, dry and stable trip that any rider could appreciate.

Dihedral in the planing hull world is a term used to describe a deeper Vee down the centerline with two outer sponsons with reversed chines. These work together to eliminate side-to-side rocking and tendency to tip. This hull was specifically designed for a smooth ride in rough water. While you throttle up, you will quickly climb onto plane and have essentially no bow rise restricting visibility at the helm. These vented chines assist with lift.

REMOVABLE FRONT TABLE

Rounded front couches and a removable table that includes 4 drinkholders makes entertaining your friends and family that much easier.

IN-FLOOR STORAGE

Bring your gear along, and keep it safe and dry in this huge in-floor storage compartment.

REAR BENCH SEAT AND STORAGE

This big comfy couch with built in speakers and loads of under-seat storage, can seat those who want to hangout and relax in the back.

VIBE D20 FISHING DECK

Between 2 fishing seats on the Vibe D20 fishing deck, an aerated livewell for ensuring those keepers stay lively, and a handy pull-down front swim ladder.

VIBE D19 REAR STORAGE LOCKER

This is the perfect hidden spot to store your boat fenders.

BELOW-CONSOLE STORAGE

There is no shortage of storage space on the Vibe with this massive below-console storage compartment.

PREMIUM CONSOLE

Be a master of the water. This premium Vibe console comes fully-loaded with gauges for monitoring tach, speed, fuel, volt and trim.

BUILT-IN COOLER

Keep your drinks cool with this convenient, under-seat, built-in cooler.

SKI PYLON

For some serious skiing and wakeboarding, you have a built-in ski pylon ready to go.

FRONT LOUNGE AREA

2 curved front loungers provide more than enough comfort for friends and family. Flip up the cushions for loads of under-seat storage to keep their gear safe and out of the way.

VIBE D20 FRONT LIVE WELL

The Vibe D20 fishing deck gives you room to fish comfortably, land your catch, and keep it lively in the aerated livewell.

KICKER STEREO+

The Kicker Bluetooth All-In-One Media Center with 4 speakers has the power and sound to let you enjoy your tunes at all speeds.

DELUXE CAPTAIN'S CHAIR

For those who want only the best, you get the deluxe captain's chair with Flip Up Bolster.

VIBE D20 ROD STORAGE

A storage compartment along the side of the D20 with a new convenient opening style lets you store away your rods.

WOWranty

All-Weather Protection

Everyone should have protection, especially if it extends your season.

Being Canadian, we understand the harsh reality of the Canadian climate. That's why the Premium Package for almost every full windshield Legend model † includes the industry's toughest, most practical stand-up top, constructed with Legend's ProTech material. You'll be more comfortable, warmer and dryer regardless of what Mother Nature throws your way.

†Full top optional on the 16 XTE model*

*Never use while trailering. Not for highway use.

Extra-Wide Double-Zippered Walk Through with Window

The walk-through window opens fully to allow for easy passage and allows visibility even when closed.

● Weather-Resistant Design

Helps to reduce wind and water from entering the boat, keeping you warm and dry.

● All-Metal Fittings

Unlike plastic fittings, metal ones are less likely to crack, break, or wear out.

● Pull-A-Dot Snaps

Used in strategic areas, they are a specially designed locking snap that keeps your top securely fastened.

● Full Stand-Up High Design That Works at Full Speed On the Water

Allows for comfortable upright maneuvering in the boat with no need to take it down even at high speeds on the water.

● All Snaps Are Installed Through Thick Legend ProTech Material

Our strong material provides a solid fastening point as opposed to plastic, which snaps could tear through easily.

● Double-Stitched Zippers

Provide lasting quality in areas that receive the most stress.

● Three Bar 7/8" Tubular Frame

Our tubing is thicker and therefore stronger than industry standards. A third centre bar keeps the top in an arched formation preventing sag at any speed on the water.

● Rear Angled Support Bar

Much stronger than a strap, it adds greatly to the overall strength of the top and allows for the top to be stored in an arch out of the way.

● Front Aerodynamically Matched to the Windshield

Reduces wind resistance at high speeds on the water, which increases fuel efficiency and allows for full throttle performance with the top up.

 **PROTECH**
WIND, RAIN AND SUN PROTECTION.

5+1 Year
Canvas Warranty

Legend ProTech All-synthetic Tear and Mildew-Resistant material

Backed by a 5 year warranty, it is guaranteed not to rot or fade and will resist tearing, even if punctured. Stitching, zippers, seams and other top components are covered for 1 year.

Legend Glide-On Trailers

Quality is the reason we choose Shoreland'r as the exclusive supplier for our Legend custom-matched Glide-On trailers. A high quality trailer means a high quality boating experience from loading and unloading to highway driving.

5+1 Year Legend Glide-On
Trailer Warranty

Welded Tubular Steel Frame

Strong, clean construction with less bolts to worry about, plus the tubular design provides protective housing for wiring. This is by far the best frame in the industry, covered by the best warranty. 5-year frame warranty and 1-year complete tongue to tail light warranty.

Self-Centering Carpeted Bunk Design

Launching and loading are made effortless. The boat loads straight, stops easily and is supported over its full length for even weight distribution.

- **Adjustable 2" Ball Safety Coupler with Locking Pin**

The coupler easily adjusts for greater hold and the pin prevents release while travelling.

- **Extra-Long Safety Chains with Locking Clips**

Strong and secure safety chains will not tangle, fray or kink like cables. Easily reaches most vehicles and safety clips prevent unlatching during travel.

- **Custom-Matched Trailer with Powder Coated Paint**

Each package has a custom-matched trailer that fits perfectly with the colour, size and shape of the hull.

- **Each Light Has Its Own Power Source and Ground Wire**

Keeps your lights bright and working at night, even if one goes out.

- **Heavy-Duty Nylon Winch Strap**

The threaded seam is protected from the elements with a 3' loop that eliminates stress on stitching.

- **Reverse-Angled Winch Stand with Oversized Rubber Roller**

Prevents unwanted forward movement of the boat during sudden stopping. The roller safely stops the boat during loading and holds the bow in place during transport.

- **Contoured Padded Cross Members and Lower Axle**

The boat sits lower, providing a more stable centre of gravity which allows for launching and loading in shallower water.

Space Saving Swing Tongue*

This feature reduces storage length as much as 24" making it easier to fit in a garage and helps prevent shin smashing.

*Included in the Premium Package.

- **Self-Lubricating Bearing Buddies**

Automatically injects grease to the bearing resulting in less bearing wear.

- **Enclosed Custom-Moulded Dent-Resistant Fenders**

Non-corroding and dent-resistant, they protect your boat from road debris and provide a safe, solid step.

- **Submersible Lights With Rear Built-In Step**

Reliable lamp service while the step protects the tail lights and allows access to the boat.

Legendary Strength.

Legend .100 Gauge Hull

While most aluminum boat companies use .058 to .090 gauge thickness on comparable models, our .100 gauge hulls are up to 73% thicker! With a super-thick .100 Gauge seamless hull bottom, your Legend boat will last longer with no potential for centre-seam leaks. While our .100 Gauge hulls provide unmatched thickness, our use of 5052 H34 cold-rolled aluminum provides the best combination of flexibility and strength.

All-Welded Series Construction

All-Welded Series Transferable Warranty

Every Legend All Welded Series model carries our industry leading Leakproof for Life Warranty. It is remarkably simple: it covers the entire structure of the hull against leaks through the hull for as long as you own the boat. Our exciting WOWranty extends coverage on all of our key components such as decking with a Lifetime Warranty against rotting and warping.

See page 72 for details.

Intelliflex Hull Construction

Flexes and adapts to the water by dissipating energy from waves evenly throughout the hull, eliminating any chance of problem areas developing over time.

Exclusive Comfort Ride Deep-V hull

Provides a dry, smooth and comfortable ride each and every time in all conditions provided by our sharply angled bow, deep V and reverse chines.

2-Piece Hull with No Side Seams

Eliminates a common weak area that causes side seam leaking on other welded boats.

Injected Level Floatation

Not only will every Legend float even when filled with water, the injected foam creates a solid sub-floor bond that strengthens the boat and provides a silky smooth and quiet ride. Foam is injected halfway up the side-wall for extreme strength. Knock on it and see!

Thick Lifetime Decking

With a Lifetime Warranty against rotting or warping and delamination. A thicker floor with 7 individually treated layers means a stronger boat.

Torsion Beam Energy Transfer System

Provides your boat with necessary flexing, while remaining light and strong.

Interlocking Bow Ribs

Overlap the front torsion system, eliminating a common weak point on most other aluminum boats.

Reverse Angled Chines

Are bottom side edges that angle downward to create lift in the back for faster planing and increased stability.

Solid Locking Extrusions

Hold each thick hull piece into a solid center for unmatched durability. The center extrusion is over one inch thick providing an extremely solid 1,054 gauge impact zone. This means over 5 times the protection of double plated hulls.

H34 PerfectFlex

Legend's H34 PerfectFlex aluminum has the perfect balance of strength and flexibility. Although H36 is harder, it is also more brittle. Its strength is reduced by over 80% when stressed during manufacturing or when flexed on the water. In fact, when stressed, H34 PerfectFlex is tested to be more than 2.5 times stronger than H36, making it the ultimate hardness for .100 gauge aluminum boat manufacturing.

Strength Under Pressure (PSI's)

H34 aluminum is tested to be more than 2.5 times stronger than H36, making it the ultimate hardness for aluminum boat manufacturing.

The NMMA Certified label on a Legend boat is your proof that it meets, and often exceeds, the industry's strictest quality and safety standards.

R-Series Construction

R-Series Transferable Warranty

Each R-Series Riveted model has a Lifetime main seam hull warranty and an amazing 10 year warranty on most other hull components. Our exciting WOWranty extends coverage on all of our key components such as decking with a Lifetime Warranty against rotting or warping.

See page 72 for details.

Full-Length Molded Splash Rail

Deflects water away from the boat interior, providing a dry, comfortable ride. Fishing lines are able to slide along the hull edge smoothly where this rail is riveted on.

Full-Length Deep-V Hull with Squared Chines

Provides a smooth and comfortable ride while keeping the hull stable so you can move around without it feeling tippy.

Extra-Wide EZ-Grip Gunnel

Makes holding the boat while getting in or out very easy and increases the overall strength of the hull.

Lap-Stracked Side Walls

Full-length ridges pressed into the sidewall reduce flex and make for a stronger and sturdier boat.

Thick Lifetime Decking

With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting or warping.

Injected and Level Foam Floatation

Provides a stronger, quieter and safer boat. If filled with water, the boat will not flip or sink, even when loaded to capacity.

Internal Lateral Support Ribs Spaced 9" Apart

Gives you more ribs closer together creating greater support and strength.

3 External Keels

Provide stability, solid cornering and car-bumper-like protection from underwater obstacles.

Side-Facing Rivet Line with Lifetime Warranty

Reduces exposure to side seam stress in comparison to a bottom-facing rivet line.

Reinforcing Bow Ribs Attached to Transverse Rib

Are reinforced with .100 gauge aluminum that eliminates a common weak area found in the front of most boats.

Trailerling & Covers

Bow to Stern Cover

Our custom-fit bow to stern mooring and travel cover provides complete protection for your Legend boat. Protect your investment and keep your boat looking new. (Not for winter storage)

14' + 16' WideBody and ProSport **\$699**

15' + 16' **\$799**

17' + 18' **\$899**

19' + 20' **\$999**

Prices vary by model and size.

Quick and Easy Ratchet System

Just slide the cover over top of your boat, tighten up the ratchet and you're done. It's that easy!

Multi-vent Air Circulation System

Vents humidity to let your boat dry quickly.

Bimini Top

Designed for our side console and utility models, this custom-fit top provides protection from the hot sun and rain. It is constructed from Legend ProTech fabric and an all-aluminum frame and includes a convenient bimini boot.

BTB-68 **\$899**

For boats up to 76" wide

BTB-90 **\$999**

For boats 80" to 92" wide

Vibe Cockpit Cover[†] **\$1,499**

Designed to protect the cockpit of your new deck boat from front-to-back. This one piece cover protects from damaging elements while moored at the dock. Adjustable support posts prevent water from pooling on the cover. Easily installed, this cover snaps around the perimeter even with the bimini top installed.

Vibe 3/4 Enclosure[†] **\$2,999**

The Vibe deck boats deserve an enclosure that is big on features. This 3/4 enclosure has a sloping curtain that extends all the way to the front and offers full visibility. The side and rear curtains complete the enclosure to protect you and your family from the elements.

[†] Not to be used for winter storage or during transport

VIBE Full Enclosure[†] **\$3,699**

Be comfortable. Be protected. Stay cleaner and drier with our custom full enclosure. You can stand tall and move around freely front to back regardless of weather conditions. A double bimini top as well as a full curtain package is included. Side screens let the breeze in and keep the bugs out.

Legend Motor Covers

Protects the engine cowling, lower unit, and propeller during transport or storage.

30HP or less **\$299**
40HP - 115HP **\$399**
150HP - 200HP **\$499**

Motor Support \$99

Protect your boat's transom and motor from trailering stress.

55-1900

Legend Quick Latch Tie Downs \$49

Our tie downs are quick, easy to use, super-strong and secure your boat safely to your trailer.

BTDP3B

Big Wheel Backsaver Jack and Dolly \$119

With an oversized 8" wheel, your boat trailer is easy to move on all terrain.

LEGEND J&D

Seating

ErgoMax Reclining Captain's Chair \$1,599

For those who want only the best. This ultra comfortable recliner features built-in suspension, a slider, 8" post, adjustable headrest and dual flipping armrests.

Electric Motors & Accessories

MotorGuide®

MotorGuide Xi3 wireless trolling motor with removable bracket and remote, 55 lbs. thrust, 12V, 54" shaft

Fish from anywhere on the boat with the included hand-held wireless control. Best-in-class quiet operation that's up to 40% quieter than the leading competitor. With SecureStep, stowing and deploying the Xi3 is safe and easy. Large release lever triggers both stow and deploy functions from a standing position. Visual and audible cues indicate when the motor is locked in the stowed position. LED status indicators help you monitor four key motor functions at a glance, including battery life. An optional wireless foot pedal is available.

- Out-of-the-box Wireless Remote
- Easy to Use Stow and Deploy
- Stealthy Quiet Operation
- Quick Release Bracket Included

Analog Troll Control Kits **\$329** plus installation (Approx. 1.5 hours)

A troll control option for boats with traditional, analog gauges from 40 hp and up. This easy-to-install kit can make controlling the boat/engine speed easy with the push of a button. Adjusts speed by 10 RPM up to 1,000 RPM. Also available without "Y" harness for installations with SmartCraft.

Analog #8M0083439 **Data cable** #879981T20

VesselView Mobile

\$599 plus installation (Approx. 1.5 hours)

Get Connected. Now you can have the power of SmartCraft on your mobile device (iOS or Android) with all the digital data your SmartCraft engine supports! Connect to your engine, and get easy access to maintenance reminders, performance information and diagnostic information*. The VesselView Module easily connects to your Mercury outboard.

Key Features

- Connects your Mercury engine (all SmartCraft-capable engines built since 2003 [40 HP and up]) to your iOS® or Android® mobile device via BLE (Bluetooth® Low Energy 4.0).
- See engine data: fuel flow, water temperature, battery voltage, RPM, engine hours*.
- Get fault code diagnostic information in clear language so you know what it means, and understand if that fault is something to be addressed when you return back to the dock or it is something more significant*.
- Get mapping information and quick access to points of interest such as fuel or restaurants.
- Access the Mercury Dealer Locator and set your Preferred Dealers.
- View handy checklists associated with your boating lifestyle.
- Receive maintenance reminders and keep a maintenance log*.
- Supports up to 22 different languages.

8M0115080

Data Cable # 879981T20

Active Trim **\$1,099** plus installation (Approx. 3 hours)

Intuitive, Hands-Free Control. Active Trim is an integrated GPS, speed-based automatic engine trim system from Mercury Marine. This intuitive, hands-free system continually adjusts engine trim based on changes in boat speed to improve performance, fuel economy, and ease of operation. It responds to boat maneuvers with precision and delivers a better overall driving experience. No knowledge of trimming an engine is needed to take advantage of Active Trim.

Key Features

- As the boat accelerates, the engine will trim out.
- As the boat decelerates, e.g. making a turn, the engine will trim in.
- Active Trim can be overridden at any time by using the manual trim buttons.
- Active Trim allows the boat operator to compensate for changes in boat load, driver preferences, and weather conditions while maintaining full automatic control.
- Active Trim is compatible with Mercury FourStroke outboards from 40 hp and up.

No matter your target.
No matter the conditions.
Game on.

HELIX 5 CHIRP • GPS G2

The HELIX 5 CHIRP GPS G2 features a brilliant 800H x 480V, 5" 256 colour HD display with backlight, DualBeam PLUS sonar with 4000 watts PTP power output, Precision Internal GPS Chartplotter with built-in UniMap cartography and micro SD card slot for optional maps or for saving waypoints. Cannon Magnum 10 STX Electric Downrigger

\$849 plus installation* (Approx 1.5hrs)

#1902305

The Magnum 10 STX features the fastest retrieval rate on the market (250 feet per minute) and a Short-Stop feature that protects the boat from swinging weight. Includes mounting base, low-profile swivel base, and a telescopic stainless steel boom that extends from 24" to 53". Magnum is built tougher and smarter to make you a better angler. Cannon Edge Design features fewer moving parts, one-piece composite construction, a redesigned boom end, protected circuit boards, and easy access to the spool, switches, plugs and mounting knobs.

#1904031

#1904026

6" Raised Aluminum Pedestal with 12" Mounting Track

\$169 plus installation* (Approx 1hr)

This sturdy pedestal mount slides into the mounting track. The track allows your downrigger to slide forward and back while the 6" pedestal raises it to a comfortable height to work on.

*May be required for proper downrigger installation on select boat models.

Minn Kota DeckHand 40 Electric Anchor Winch Kit

With quick-release bracket, davit, DeckHand 40 remote switch and 20 lbs river anchor.

Automatically raise and lower your anchor at the touch of a button. DeckHand 40 has a 40-lb anchor capacity. Pre-spooled with 100 feet of 800-lb test nylon rope. Universal davit can be mounted at base of DeckHand or in remote position on boat deck. Davit also stows anchor horizontally to eliminate anchor swing. Anchor shackle allows for quick changes between anchors. A special anti-drag system senses the bottom to allow for controlled drifting.

\$599

plus installation* (Approx 2hrs)

DECKHAND 40 KIT

Extra Quick Release Bracket

On packages with trolling motors, add this extra quick release bracket to your trolling motor to quickly remove it and slide the DeckHand electric anchor into place.

\$75 # 1854036

Legend - Minn Kota Battery Charging Systems

Charge your deep cycle batteries without having to remove them. Choose to charge your batteries using 110V AC, 12V DC or both. With the AC charging kits, simply run an extension cord to your boat and plug it into the included charger panel. For DC charging, simply running your main engine extends your deep cycle battery's charge.

Choose a package that's right for you.

When building these packages, we wanted to combine all of the best tools, like Minn Kota Trolling Motors and HumminBird Fish and Depth Finders with GPS to ensure you had the ultimate weapon to get you in and around narrows, shoals and weed beds in order to land that monster catch.

Take your motor to the next level with ingenious GPS control. Select packages are pre-installed with i-Pilot, or i-Pilot Link, both of which feature reinvented Spot-Lock for the most accurate GPS anchor ever.

Spot-lock uses GPS to hold you on a fishing spot. Available on i-Pilot and i-Pilot Link models.

Don't miss a thing. By scanning multiple frequencies to improve target separation and reduce noise, Humminbird CHIRP helps you clearly identify structural details and fish. Let your HELIX unit work with your trolling motor for automatic boat control thanks to the i-Pilot Link. Available on the "I Live To Fish" Package, i-Pilot Link "Follow" lets you do just that - follow something. Now you can automatically "follow" a depth contour, a bottom hardness level, or a vegetation line, allowing you to focus on catching fish.

I Like To Fish.

This package is perfect if you're looking to add just a little more technology to help you catch those fish. Look and feel like a pro with your Helix 5 FishFinder/GPS and your smartphone hooked up to your trolling motor. Get a leg up on other anglers on the water and look awesome doing it!

PowerDrive 55 US2 i-Pilot BT

with Universal Sonar, transducer, i-Pilot and Bluetooth that allows you to control your Minn Kota from your compatible smartphone.

55 lbs of thrust, 54" Shaft length, Digital Maximizer, Push-to-Test Battery Meter, Indestructible Composite Shaft, Cool, Quiet Power, Weedless Wedge 2 Prop, and a 2 Year Warranty.

i-Pilot

i-Pilot lets you lock onto a fishing spot, record and retrace paths, and command speed and steering in the palm of your hands.

Helix 5 Chirp GPS G2 with Navionics®+ Card

800H x 480V, 5" 256 colour HD display with backlight, DualBeam PLUS sonar with 4000 watts PTP power output, Precision Internal GPS Chartplotter with built-in UniMap. Also has a Micro SD card slot which accepts the included Navionics®+ card.

Ram Mount

Consists of a round 2.5" diameter round base, double socket arm and 1.5" x 3" rectangular base.

Buy Now and Pay Only \$2,499

LIKE TECH PACKAGE 1

* Plus Installation (Approx. 3 hours labour)

I Love To Fish.

If you've been wanting to get into the water and be smart about how you fish, this is the package for you. It's the perfect amount of tech and gadgets to reach the standard you're looking for. An extra large 80lb. thrust trolling motor, a Helix 7 Chirp GPS G3N fish finder unit and everything hooked up to your phone for easy access and maneuverability. Show the waters who's boss!

Terrova 80

with Universal Sonar and Bluetooth. Features 80 lbs of thrust, 60" Shaft length, Digital Maximizer, Auto-Pilot, Foot Pedal, Push-to-Test Battery Meter, Indestructible Composite Shaft, Cool, Quiet Power, Weedless Wedge 2 Prop, 2 Year Warranty and Bluetooth capability.

i-Pilot

i-Pilot lets you lock onto a fishing spot, record and retrace paths, and command speed and steering in the palm of your hands.

HELIX 7 CHIRP DS GPS G3N

with Navionics+ card. The HELIX 7 CHIRP GPS G3N features Dual Spectrum CHIRP Sonar, Ethernet networking capability, Bluetooth connectivity, AutoChart Live, GPS and Humminbird Basemap built-in. The 7", ultra-wide display gives you ample room to view the many pre-loaded split screen view options. Also has a Micro SD card slot which accepts the included Navionics® + card.

Ram Mount

Consists of a round 2.5" diameter round base with 1.5" ball, double socket arm and a 2" x 4" rectangular base.

I Live To Fish.

The fish don't stand a chance! Never doubt where you might find the best fish and never shy away from an area of the water you're unfamiliar with. In this package, you've got a massive 80lb. thrust trolling motor networked to a Helix 7 Chirp MEGA DI GPS G3N fish finder and of course all programmed into your phone. Be the biggest baddest boat on the lake and never be outdone by anyone else.

Terrova 80

with MEGA Down Imaging and Bluetooth

Features 80 lbs of thrust, 60" Shaft length, Digital Maximizer, Auto-Pilot, Foot Pedal, Push-to-Test Battery Meter, Indestructible Composite Shaft, Cool, Quiet Power, Weedless Wedge 2 Prop, 2 Year Warranty and Bluetooth capability.

i-Pilot-Link

i-Pilot Link allows your Minn Kota and Humminbird to communicate with each other to change the way you fish. With Link, you can take command of your motor from the wireless remote or your Humminbird. And once you do, the possibilities are endless.

HELIX 7 CHIRP MEGA DI GPS G3N

with MEGA Down Imaging and Navionics+ card

Features MEGA Down Imaging, Dual Spectrum CHIRP Sonar, ethernet networking capability, Bluetooth connectivity, AutoChart Live, GPS and Humminbird Basemap built-in. The 7", ultra-wide display gives you ample room to view the many pre-loaded split screen view options.

Ram Mount

Consists of a round 2.5" diameter round base with 1.5" ball, double socket arm and a 2" x 4" rectangular base.

Freight Charges by Zone.

Zone	ON, QC	SK, MB	AB, BC, NB, PE, NS	NL
Utility Boat Only	No Fee	\$350	\$675	\$800
Utility Package	No Fee	\$700	\$1,300	\$2,000
Boat Package	No Fee	\$700	\$1,300	\$2,000
Deckboat	No Fee	\$800	\$1,350	\$2,300

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

 = Headquarters Whitefish, Ontario

No Fee Setup and Orientation

All of the components of your boat, motor, and trailer package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation.

Side console models, full windshield models:

The setup includes the following items: control box, shift cables, starting battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

Utility models in packages:

The setup includes the following items: outboard installation and setup, propeller, fuel tank, starting battery on packages with electric start motor or utility boat models with lights or livewells. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your downpayment at 6.49% over 780 weeks for amounts \$10,000 and higher, and 8.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Premium Packages are model specific and are only available with the purchase of a boat package. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.

6 YEAR WOWRANTY

A warranty that makes you say wow!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years. That gives you a lot of worry-free, quality, memory-makin' time.

*For more details, visit:
www.legendboats.com/wowranty

All-Welded Series Leakproof For Life Warranty

Every Legend All-Welded model carries our exciting and industry-leading Leakproof for Life Warranty. It is remarkably simple. It covers the entire structure of the hull against leaks through the hull for as long as you own the boat. In fact it's the kind of warranty you won't find on any other aluminum boat. Plus it is transferable, giving the second owner up to 10 years of protection.*

Riveted Series Lifetime Main Seam Warranty

Each Riveted model has a Lifetime Main Seam Hull Warranty and an amazing 10 year warranty on most other hull components. This industry-leading warranty is transferable, giving the second owner up to 10 years of protection.

Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

Lifetime Floor & Deck Warranty

A thicker floor means a stronger boat. With 7 layers, of marine-grade plywood, each individually-treated, we can offer a lifetime warranty against rotting.

Legend Glide-On 5+1 Year Trailer Warranty

Every Legend Glide-On trailer by Shoreland'r is backed by a 5-year frame warranty and 1-year complete tongue to tail light warranty.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.*
